IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. PSA-04-1
---	---------------------

ORDER GRANTING MOTION AND MODIFYING PROCEDURAL SCHEDULE

(Issued August 27, 2004)

On August 12, 2004, the Utilities Board (Board) issued an order opening Docket No. PSA-04-1 to consider whether it should assess civil penalties against Interstate Power and Light Company (IPL) for failure to comply with federal and Board safety regulations. In the order, the Board established a procedural schedule for the filing of prefiled testimony and a hearing date of November 19, 2004.

On August 25, 2004, IPL and the Consumer Advocate Division of the Department of Justice (Consumer Advocate) filed a joint motion to extend the dates for filing prefiled testimony by one week. The motion indicates that the preparation of the testimony has been delayed by the unavailability of key personnel.

The Board will grant the motion and modify the procedural schedule as requested by IPL and Consumer Advocate. The extension will still allow sufficient time between the filing of testimony and the date of the hearing.

IT IS THEREFORE ORDERED:

1. The motion to modify the procedural schedule in Docket No. PSA-04-1 is granted.

2. The procedural schedule in this docket is modified as follows:

a. Interstate Power and Light Company shall file prepared direct testimony along with any underlying workpapers and exhibits on or before September 14, 2004.

b. The Consumer Advocate Division of the Department of Justice (Consumer Advocate) and any intervenors may file prepared direct testimony, with the underlying workpapers and exhibits, on or before October 4, 2004.

c. Interstate Power and Light Company may file rebuttal testimony, with underlying workpapers and exhibits, on or before October 15, 2004.

All other aspects of the August 12, 2004, procedural schedule remain unchanged.
